Counseling & Support

Whether you are new to Gilchrist, have a loved one under our care, or are grieving a loss, we are here to help.

- **Care Counseling:** Our care navigators will listen to your needs and connect you to the right services and resources to help you manage your serious illness.
- **Grief Counseling:** Our master's trained counselors are available to provide emotional support before and after a loss through one-on-one grief counseling, support groups and events.
- **Volunteer Support:** Our trained volunteers provide support through assistance with errands, companionship and respite for families.
- **Community Education:** Our specialists are available to speak to groups and organizations about elder care, end-of-life and bereavement issues.

Elder Medical Care

For individuals with serious illness who need coordinated care and guidance.

- **Home Care:** Our team of physicians, nurse practitioners and social workers brings primary care to you, so you don't have to leave home.
- **Residential Community Care:** Our team provides medical care and guidance to complement the services already provided by residential care centers.
- **Geriatric Consultations:** We provide a comprehensive health assessment for elders with serious illness, develop a plan of care tailored to your needs, and connect you to community physicians to ensure seamless care.
- **Rehabilitation:** For those recovering after a hospitalization, our Rehabilitation service at GBMC can help prepare you for return to home and help you achieve the most independence possible.
- **Integrative & Palliative Medicine:** Our clinical specialists offer guidance in anticipating future health care needs, addressing symptoms and making sense of treatment options in select hospitals, assisted living and skilled nursing facilities.

Hospice Care

Hospice enhances the end of life by providing care that allows people to live their final days to the fullest.

- **Home/Residential Community Care:** We work with patients and families to ensure that they can remain in their own home or residential care community through the course of their illness, comfortably and pain free.
- **Center Care:** Our three inpatient centers in Towson, Howard County and Baltimore City offer hospice care for individuals with pain and symptoms that cannot be managed at home.
- **Gilchrist Kids:** Our pediatric hospice program provides compassionate and comprehensive end-of-life care for children and young adults with life-limiting illnesses.
- **Complementary Care Offerings:** Music Therapy, Jewish Care and Support, and We Honor Veterans.

"From the exceptional care given to my parents through the Elder Medical Care program to the wonderful care they received while in the home hospice program, my parents were treated with dignity, respect and the utmost compassion...Our experience with Gilchrist was exceptional."
