# Overview of programs and services

# Innovating a new way of caring

The Luminis Health Gilchrist Lifecare Institute provides an integrated continuum of care for older individuals across all settings in Anne Arundel County and expanding into Prince George's County. We bring together the combined expertise of two nationally recognized organizations: Luminis Health and Gilchrist. Luminis Health is a leading health system based in Maryland, with numerous inpatient and outpatient locations across eight counties. Gilchrist is a nationally recognized nonprofit with a 28-year reputation of excellence in palliative care and hospice care. Together, we are innovating a new way of caring.

## Our services

**Luminis Health Gilchrist Lifecare Institute** cares for individuals and families throughout Anne Arundel and Prince George's counties in Maryland. We provide comprehensive services across multiple settings, including at home, in residential care communities—such as long-term care and assisted living facilities—and throughout the community.

### Palliative Care

**For individuals with serious illness who need coordinated care and guidance.**

- **At Home:**  
Our team of physicians, nurse practitioners and social workers brings primary care to you, so you don't have to leave home.
- **At Residential Communities:**  
Our team provides medical care and guidance to complement the services already provided by residential care centers.

### Hospice Care

**Hospice enhances the end of life by providing care that allows people to live their final days to the fullest.**

- **Home/Residential Community Care:**  
We work with patients and families to ensure that they can remain in their own home or residential care community through the course of their illness, comfortably and pain free.

## Complementary care offering

**We Honor Veterans** – a program designed to meet the unique needs of veterans at the end of life and recognize them for their service.

*“From the exceptional care given to my parents through the Palliative Care at Home program to the wonderful care they received while in the home hospice program, my parents were treated with dignity, respect and the utmost compassion...Our experience was exceptional.”*
